on Google Analytics Demographics and Interest Reporting to get an idea of our demographics and users' interests. Please see below for how we use this data.

Google Analytics

We have implemented Google Analytics features based on Display Advertising (Google Analytics Demographics and Interest Reporting). You can opt-out of Google Analytics for Display Advertising and customize Google Display Network ads using the Ads Settings. To opt-out use the Google Analytics Opt-Out Browser Add-on to disable tracking by Google Analytics. We will use the data provided by Google Analytics Demographics and Interest Reporting to develop the site and content around our users' interests. We also use Google User ID to associate engagement data from multiple devices and different sessions with unique IDs. This data is non-personally identifiable and used to analyse user interaction between devices.
